

INTRODUCTION TO TEI

Warsaw, November 10-13 2014

DiXiT Marie Curie ITN

Faculty 'Artes Liberales', University of Warsaw

Digital Humanities Centre, Polish Academy of Science

TRAINING WORKSHOP

1. Confirmation

Please make sure you've confirmed your participation via email to Anna Skolimowska or Łukasz Cybulski. You will be receiving further information to the email address you gave us.

2. Laptops

Please, bring your own laptop computer as we won't be able to provide you with one during our workshop. There will be wi-fi in our lecture rooms.

3. Installing the oXygen editor

oXygen is a robust XML editor, quite popular in TEI community. We'll obtain trial licenses for the workshop participants and send them to you by email. Please download the Oxygen Editor from here:

http://oxygenxml.com/download_oxygenxml_editor.html choosing the version adequate for your operating system and install it before workshop.

4. Locations

Our workshop will take place in Warsaw, at the Institute for Literary Studies (Instytut Badań Literackich PAN), ul. Nowy Świat 72, room 144.

5. Organisation of the day

Our schedule will be as follows: morning session 9:00-12:30 with a coffee break around 10:30, lunchtime break 12:30-14:00 and afternoon session 14:00-17:30 again with coffee break scheduled for 15:30. Please note that we do not provide actual coffee nor lunch, but the Nowy Świat area has plenty of coffee or lunch options to choose from.

6. Discussion of individual projects

We have scheduled an informal discussion of individual projects for Tuesday, 11th (Independence Day) around 10:30, most probably in the same locations as the workshop. Please let us know on Monday or via email if you're planning to attend this. Please bring samples of your material with you.

7. Contact information

You can contact organizers via email or phone:
